Hi Jayne – I've run out of time. I only got through Allison's comments, but not Don. I'm inclined to keep it as is and add what you feel is the right language on the enforceable mechanism piece for Dennis. Maybe Christine and Dave will also have comments tomorrow. I'll write a quick note to Allison and Don that I'm leaving it in your hands but that we probably won't have time to include their comments, but Dennis probably also won't need that level of detail for tomorrow night's call. I don't think we need to get this down solid, and maybe Christine can ask Dennis not to share this with the State yet except verbally. My thoughts, but please do as you think best!
